Re: MUR 6803

Dear Ms. Collins:

I am writing to follow up on our telephone conversation last week. As you requested, I am responding in writing to your letter which we received on April 15, 2014. As I indicated, Lamar does not own or operate the billboard referenced on Page 4 of Mr. Beasley's complaint that he identifies as being located on the Courtesy Ford property, 1636 Dogwood Dr., SE, Conyers, Georgia 30013.

As we do not own the billboard that is the subject of the complaint, it is our position that no action should be taken against Lamar. Please let me know if you have any questions, or if you need additional information.

Sincerely,

CONNOR B. EGLIN
